

Dreamworld

Robin Thicke

Dm

I would be you, you would be me

F

A

We would be one, we would be just fine

Dm

F

The ice caps wouldn't be melting

A

And neither would I

Dm

F

I would just drive my big old car

A

And everything would be alright

Dm

F

And energy would just fall down

A

Right from the sky, yeah

Gm

Words would fly right from out of my mind

Dm

Out of my mind into your heart and into your life

B

And everything would sound just right

A

And no one would stop me from drinking my wine

Dm

F

A

That's my dreamworld, that's my dreamworld

It's more than a dream

Dm

F

A

Dreamworld, that's my dreamworld

Dm

And I wanna live in my dream, dream

F

A

For the real world just don't feel right

Dm

F

I wouldn't spend my days searching for

A

Searching for lost time

Dm

Yeah hey, dream

F

I wouldn't be so damn sensitive

A

I'd let things go by

Dm

F

No matter what the weather, I'd learn to change

A

I'd change with the time, yeah

Gm

Dm

And every time I need a woman, she'd appear right by me

She hold me tight, treat me right

B

And tell me that everything is gonna be

A

Is gonna be alright, alright

Dm

F

A

That's my dreamworld, that's my dreamworld

Dm

F

I would tell Van Gogh that he was loved

A

There's no need to cry

Dm

I would say to Marvin Gaye

F

A

"Your father didn't want you to die"

Dm

Dream, there would be no black or white

F

A

The world just treat my wife right

Dm

Dream, we could walk down in Mississippi

F

A

And no one would look at us twice, hey

Dm

F

A

That's my dreamworld, that's my dreamworld

It's more than a dream

Dm

F

A

Dreamworld, that's my dreamworld

And I wanna live in my dream, dream
