

## Exhale (Shoop Shoop)

Robin Thicke

Everyone falls, falls down sometime  
Sometimes it's wrong, sometimes it's right  
For every win, I'm gonna fail  
But there comes a point when  
When I'll exhale

Say Shoop now (Shoop Shoop)  
Shoop Be Doo (Shoop Shoop)  
Shoop Be Doo, my lord now  
Shoop Be, all you got to do is say  
Shoop Be Doo (Shoop Shoop)  
Shoop Be Doo, my all babe (Shoop Shoop)  
Shoop Be, Shoop (Shoop Shoop)  
Shoop Be Doo

Sometimes you'll laugh, sometimes I cry  
Life never told me, the when's and why's  
But see I've got friends to wish me well  
So here's the day when  
When I'll exhale

Say Shoop Be Doo (Shoop Shoop)  
Say Shoop, say Shoop now (Shoop Shoop)  
Say Shoop, Sh-Doop (Shoop Shoop)  
Shoop, say Shoop now (Shoop Shoop)  
Say Shoop now, say Shoop now (Shoop Shoop)  
Shoop (Shoop Shoop, Shoop Be Doo)

[Piano Interlude]

Sometimes I laugh, sometimes I cry  
Love never tells me, the when's and why's  
But when I've got friends to wish me well  
There'll come a point when  
When I'll exhale

Say Shoop now (Shoop Shoop)  
Say Shoop, say Shoop now (Shoop Shoop)  
Shoop Be Doo

Thank you.
