

Forever Mine

Robin Thicke

Forever mine
I like what you like, you like what I like
Once in a lifetime
Can't let a love like this pass you by
Tell me your secrets, and I will tell no lies
I want you to be

Forever mine
Before each other, feels like no other
Once in a lifetime
Can't let a love like this pass you by
Tell me your stories, and I will tell you mine
I don't mind living in paradise

La la la la la la la la la
Pray for you
La la la la la la la la la
Forever mine
La la la la la la la la la
Pray for you
La la la la la la la la la
Forever mine

Before each other, feels like no other
Once in a lifetime
Can't let a love like this pass you by
Destined for glory, let's enjoy the ride
I don't mind living in paradise

La la la la la la la la la
Pray for you
La la la la la la la la la
Ooh
La la la la la la la la la
Pray for you
La la la la la la la la la
Forever mine
