**F#5**

Girl, give it to me  
Girl you know what it do,  
Girl give it to me  
I got somethin' brand new,  
Girl give it to me  
I'll put it all on you,  
Girl give it to me

I got a gift for yah  
I got this for yah,  
A little Thicke for yah  
A big kiss for yah,  
I got a hit for yah  
Big dick for yah,  
Let me give it to yah  
Baby, baby  
I gotta call for yah  
I've got a whip for you  
Black car for yah  
Ball hard for you  
I know you want to get fancy  
I know you want to start dancing

**F# E**

Hey, girl

**B/Eb Dmaj7**

You know you're looking so damn fly

**F# E**

You looking like you fell from the sky (angel)

**B/Eb Dmaj7**

You know make a grown man cry

**F# E**

I wanna give it to you tonight

**B/Eb Dmaj7**

And make everything you fantasize

**F# E**

Come true, ooh baby

**B/Eb Dmaj7**

I'll make it so, so, so amazing

I'll give it to you

**F#5**

Girl, give it to me  
Girl, give it to me  
Girl, give it to me  
Girl, give it to me

**F#5**

Ooh what's that girl?  
What's that baby?  
I like that, girl  
I like that, baby,  
On your back girl

On your back,  
Yeah shake it like that girl  
Baby, baby,  
I got an eye for yah  
I got an eye for yah,  
I got a smile for yah

**Cheese,**

Let me put it on your face for you  
Please,  
I've got a taste for you  
Tasty  
I bought lace for you

**Freaky,**

I'll put it on you (Yeah)  
So I can go and take it off you (Yeah)  
And get it off to you

**F#5**

You're like a needle in a haystack  
I wanna sit you where my face at  
Lunch with a few Mai Tais  
Purple kisses on my tie  
Life can leave a dick loved  
Now you gettin' this dick, love  
I'm looking for you with a flashlight  
I want to feel what a real fat ass feel like  
No injection, I learned my lesson  
I walk it like I talk it, baby, this pedestrian  
Runnin' through your mind like Jackie Joyner  
Pussy pop like (boom!) go get me a burner  
Got shot like (boom!)  
This can be detrimental  
T-shirt and panties, that's your credential  
You're cotton candy, I need a fistful  
I'm awful antsy, hope that convince you
