

# Hard on My Love

Robin Thicke

She's so hard on my love  
She's so hard on my love  
She's so hard on my love  
She's so hard on my love

Her name was jessica  
I met her in the bathroom  
It was on it was off it was good it was bad, yea  
I took her to the movie  
Had a little popcorn  
And I guess when I looked at her shirt, just cause

She's so hard on my love  
She's so hard on my love  
She's so hard on my love  
She's so hard on my love

All you got do to is  
Lay with me, baby stay with me, baby.  
All you got to do is  
Lay me with me, baby stay with me, baby

Six months later  
Ain't nothin' new going on here  
I ain't kiss on no lips  
Since the last time you heard from me

You're so hard on my love  
You're so hard on my love  
You're so hard on my love  
You're so hard on my love

All you got do to is  
Lay with me, baby stay with me, baby.  
All you got to do is  
Lay me with me, baby stay with me, baby

Oh!

I don't wanna lose you  
But I don't wanna get lost  
It'd be easy to see eye to eye  
If you'd come down off of your high horse

All you got do to is  
Lay with me, baby stay with me, baby.  
All you got to do is  
Lay me with me, baby stay with me, baby

Oh!

She's so hard on my love  
She's so hard on my love  
She's so hard on my love  
She's so hard on my love
