

## Look Easy

Robin Thicke

Where did you come from? There's no way  
Did I do something in another life to deserve your grace?  
How did they make you so pure and free?  
Living in a world where we lose our hearts but yours still beat  
s

Don't you know that  
(You make love look easy?)  
Did you know that  
(You make love look easy?)

Tell me how do you do it? How do you bare?  
Standing in the eye of the storm like you don't care  
Always smiling when you're down  
Even when we all want to hang our heads  
You laugh out loud

Don't you know that  
(You make love look easy?)  
Baby, don't you know that  
(You make love look easy?)  
And the rest of us are so bad  
(You make love look easy?)  
Won't you tell me how you do that  
(You make love look easy?)  
Yeah, yeah, yeah, yeah

Don't you know that  
(You make love look easy?)  
Don't you know that  
(You make love look easy?)  
The rest of us are so bad  
(You make love look easy?)  
Don't you know that  
(You make love look easy?)
