

# Take Me Higher

Robin Thicke

Yeahh  
Ah baby  
Let's get saved  
Well well well  
I need  
I need to be saved

I'm coming baby  
I hear your tone  
I'm running red lights  
I'm rushing home  
I got it baby  
You feel alone  
Your body's cold and naked  
You need me to hold

So in love  
Girl you're like the morning sun  
When I'm down you lift me up  
I wanna overdose on your touch

Na na na na na na na na  
(Take me higher baby)  
Take me to the sky  
Then ya, yank on the line  
And I get high high high  
But baby, baby I don't mind  
(I get higher baby)  
Like a grape on the vine  
You turn me, turn me into wine  
And I get high high high  
But listen, baby I don't mind

Na na na na na na na na  
I'm coming baby  
I hear your tone  
I'm running red lights  
I'm rushing home  
I got it baby  
You feel alone  
Your body's cold and naked  
You need me to hold

Just because girl you know I love us some us  
Better than I thought it was  
I want to overdose on your touch

Na na na na na na na na  
(Take me higher baby)  
Take me to the sky  
Then ya, yank on the line  
And I get high high high  
But baby, baby I don't mind  
(Take me higher baby)  
Like a grape on the vine  
You turn me, turn me into wine  
And I get high high high

But listen, baby I don't mind  
Take me higher baby

Na na na na na na na na  
I'm coming baby  
I hear your tone  
I'm running red lights  
I'm rushing home  
I got it baby  
You feel alone  
Your body's cold and naked  
You need me to hold

Na na na na na na na na  
(Take me higher baby)  
Take me to the sky  
Then ya, yank on the line  
And I get high high high  
But baby, baby I don't mind  
(I get higher baby)  
Like a grape on the vine  
You turn me, turn me into wine  
And I get high high high  
But listen, baby I don't mind  
Take me higher baby  
I get high baby  
Yes I do  
Take me higher
