X: See all these illusions just take us too long
(Ooooh) And I want it bad..
Because you walk city,
Because you talk city,
'Cause you make me sick
And I'm not leavin', till you're leavin'

So I pray to something she aint bluffin', rubbin' up on me.
Well does she want me to make a vow?
Check it, well does she want me to make it now?
On my house, on my job
On my loot, shoes, my shirt,
My crew, my mind, my father's last name?

R: When I get...

X: See all these illusions just take us too long

So I pray to something she aint bluffin', rubbin' up on me.
Well does she want me to make a vow?
Check it, well does she want me to make it now?
