

## Blue For Soul

Robin Trower

Up ahead you see a fading light  
But your future seems just out of sight  
Why not find somewhere to rest your weary head

Keep on running 'til you're far from home  
Your life is crowded, but you leave alone  
Each desire another rope just to tie you down

Time could be my only friend  
Could be the wave you send  
On and on and on and on  
I paint it blue for soul  
I paint it blue for soul

And the colors don't want to rhyme  
When the judgement just seems too fine  
Thinking back to the love in your mother's eyes

Can this child ever know his fate  
A hand to hold never just too late  
It's not the tears, but the cause that we all should hate
