

Crossroads

Robin Trower

I went down to the crossroads
Fell down on my knees
I went down to the crossroads
Fell down on my knees
Asked the lord to please have mercy
Save me if you please

Standing at the crossroads
I tried to flag a ride
Standing at the crossroads
I tried to flag a ride
Didn't nobody seem to know me
Everybody passed me by

Sun goin down, dark don't find me here
Sun goin down, dark don't find me here
Ain't got no sweet lovin' woman
No one to feel my cares
