

Farther On Up The Road

Robin Trower

Farther on up the road
Somebody's gonna hurt you like you hurt me
Farther on up the road
Somebody's gonna hurt you like you hurt me
Farther on up the road
Baby, baby wait and see

Now you left me pretty baby
Someday soon you'll be crying
Now you left me pretty baby
Someday soon you'll be crying
Further on up the road
You'll find out I wasn't lying

Farther on up the road
Somebody's gonna hurt you like you hurt me
Farther on up the road
Somebody's gonna hurt you like you hurt me
Farther on up the road
Baby, baby wait and see

Farther on up the road
