

# Sunrise Revolution

Robin Trower

So many people wanting  
Tell me who'll be the one to give  
Why so many wanting  
Just so they can live

It's so hard just to catch a vibe  
When you're trying to survive yeah

Sunrise Revolution  
Sunrise Revolution yeah

Too many politicians  
Answers way too few  
Taking up positions  
Not for me, not for me and you

If one's for all and all's for one  
Then justice will be done  
Ooh ooh ooh

Sunrise Revolution  
Sunrise Revolution yeah

Maybe the time will come  
When we will stand as one  
Ooh ooh ooh

Sunrise Revolution  
Sunrise Revolution yeah

Talking out in riddles  
Gotta read between the lines  
Deep in the shadows hidden  
Sincerity is hard to find oh

When need is of no concern  
To those who never learn  
We bring

Sunrise Revolution  
A Sunrise Revolution yeah

Maybe the time has come  
Where we shall stand as one  
Yeah yeah yeah  
Ooh ooh

A Sunrise Revolution yeah  
Sunrise Revolution  
Yeah  
Sunrise Revolution

A Revolution  
A Revolution  
Yeah yeah yeah  
Then a time will come  
When we shall stand as one

Mmm  
Sunrise revolution  
Sunrise yeah  
Revolution
