

Chodci Sveta

Robo Grigorov

You're the walkers
Of the world now
There you walk
Your time you steal
While there's someone
Stealing your world
On and on
To make his deal

Sedíte si pri kávičke
Tárate dve na tri
Zakiaľ vám svet
spod nôh berú
a už iným patrí

Ref.:Mad about your dogs
AIDS of course and drugs
There you can for your nouse
Scandals to be disclosed
Christmas time rain and spain
Sweet love it's all in vain

Zbláznil sa vám pes
v móde straší AIDS
Trápia vas klebety
výrazky na nose
meniny koniny
Láska či vianoce
...all in day

Sleepin' pils meanwhile
in your vains
Carrefully they're blended
May be your're the moving targets
Wake up to prevent it

A ja chodím
medzi vami
Spávať mi to nedá,
že ste taký ľahostajní
vy neznámi chodci sveta

Ref.:Mad about your dogs
AIDS of course and drugs
There you can for your nouse
Scandals to be disclosed
Christmas time rain and spain
Sweet love it's all in vain

Zbláznil sa vám pes
v móde straší AIDS
Trápia vas klebety
výrazky na nose
meniny koniny
Láska či vianoce

Hey the walkers

of the world you
Bring the lay we laut the lay
Every coming day be maybe
the final day

Ref.:Mad about your dogs
v móde straší AIDS
you can for your nouse
výrázky na nose
Christmas time rain and spain
Láska či vianoce
