

## All I Can Do

Robotaki

Don't think of things we used to do when we knew each other  
Why bother?  
That stupid arrow stuck inside my heart is holding no longer  
Two [?]

Only 'cause, that's all I can do  
That's all I can do  
That's all I can do  
That's all I can do

I picked up all the pieces of myself up, all the things you left  
behind  
And nearly lost my mind  
I know you didn't mean it, but I couldn't see it any other way  
That day

Only 'cause, that's all I can do  
That's all I can do  
That's all I can do  
That's all I can do

That's all I can do  
That's all I can do  
That's all I can do  
That's all I can do

That's all I can do  
That's all I can do  
That's all I can do  
That's all I can do

That's all I can do  
That's all I can do  
That's all I can do  
That's all I can do
