Robotaki

Fast asleep, go slow
Have to keep you close tonight
Dreams of you unfold
Seems like you control my mind
Fast asleep, go slow
Have to keep you close tonight
Dreams of you unfold
Seems like you control my mind
Fast asleep, go slow
Have to keep you close tonight
Dreams of you unfold
Seems like you control my mind

I don't wanna wake up
I don't wanna wake up
I don't wanna wake up
Without you, without you
I don't wanna wake up
I don't wanna wake up
Without you, without you

Fast asleep, go slow
Have to keep you close tonight
Dreams of you unfold
Seems like you control my mind
But I don't wanna wake up
I dream about you all the time
I always have you on my mind
It can be the day or night

I don't wanna wake up
I don't wanna wake up
I don't wanna wake up
Without you, without you
I don't wanna wake up
I don't wanna wake up
Without you, without you
