

Don't Copy Me

Robots in Disguise

Stop!
Was your hair cut by the council?
Two in one; Louise Brooks and Shirley Temple
One Madonna glove, and a jacket too tight
Are you wearing your whole badge collection out
tonight?
I've got a style and you can't cheat it,
Stop! Don't copy me!
I've got the style and you can't beat it,
Stop! Don't copy me!
Like your busby, guess you saw the same on me?
'kin 'ell you oughtta pay me a royalty!
You can laugh but it looks miles better on me
What can one do I'm always years too early!
I've got a style and you can't cheat it,
Stop! Don't copy me!
I've got the style and you can't beat it,
Stop! Don't copy me!
Heard you're learning drums too - quelle surprise!
Guess you'll be checking out my fierce beats,
Three drummers in one band - un peu de trop
Get back on your guitar or else go solo!
I've got the style and you can't cheat it,
Stop! Don't copy me!
I've got the style and you can't beat it,
Stop! Don't copy me!
