

## Hot Gossip

### Robots in Disguise

You're talking about me, cos I'm front page news  
Flicking the pages baby and feeling for clues  
You're talking about me, and it's all over the web  
The stories you're spinning baby, 've gone to my head  
I'm hot gossip I'm on your lips  
You're talking about me, yeah and my heart beat speeds  
Keep dishing the dirt now baby I never was real clean  
You're talking about me, and your pants are on fire  
Your sources are nasty baby and you're a liar liar!  
I'm hot gossip I'm on your lips  
You're talking about me - ain't that the truth!  
Spreading your rumours baby cos you want to seduce  
You're talking about me, and it's not all nice  
You don't even know me baby oh but that's alright cos  
I'm hot gossip I'm on your lips
