

# Daisy Bomb

Robyn Hitchcock

Sometimes a bomb is not enough  
To express the way I feel  
And an explosion in the dark  
Won't let you down  
Sometimes a kiss is not enough  
You just have to make it two  
Kissing I love you inside out and upside down  
Darling I love you inside out  
And upside down  
I love you  
Like a bomb  
In my heart  
Sometimes a kiss goes on so long  
And it just won't let you go  
Darling I love you inside out  
And upside down  
I love you  
Like a bomb  
In my heart  
Daisy bomb  
Daisy bomb
