

# Never Stop Bleeding

Robyn Hitchcock

The widows of a lifetime keep a warning in their eye  
The widows of a lifetime can do anything but cry  
They never stop bleeding

Pervert in the bushes and the dope-fiend on the street  
They've got one thing in common: They're all crying out for meat  
They never stop bleeding  
They never stop bleeding

I'm sorry for the future and I'm sorry for the past  
I'm sorry for the sailor who is lashed before the mast  
They never stop bleeding

Now you can bleed internally or you can bleed outside  
The groom is always edgy when he's standing with the bride  
They never stop bleeding  
They never stop bleeding
