

This Is How It Feels

Robyn Hitchcock

Don't wanna lose it
Don't wanna lose your love
Don't wanna lose this
Don't wanna lose your love

Something in you that just
Isn't in anyone else
Something in you that just
Isn't in anyone else
Something in you that just
Isn't in anyone else

This is how it feels
And this is where it goes
This is where it starts
And this is all it knows

I've got to have you
Inside a darkened room
You've got to hold me
Just like a quarter moon
Just like the quarter moon

Something in you that just (something in you that just)
Isn't in anyone else (Isn't in anyone else)
Something in you that just
Isn't in anyone else

Ooommm.

This is how it feels
And this is into you
Sometimes it rips you up
Sometimes it blesses you
It's the way you love
It's the way I am
It's a sideways glance in a full-on world

Oooo... woman in you woman in you
Oooo... woman in you woman in you
Oooo... woman in you woman in you
Oooo... woman in you woman in you
