

Uncorrected Personality Traits

Robyn Hitchcock

Uncorrected personality traits
That seem whimsical in a child
May prove to be ugly in a fully-grown adult.
Lack of involvement with the father or
Overinvolvement with the mother
Can result in lack of ability to relate to sexual peers

And in homosexual leanings
Narcissism, transsexuality,
Girls from the waist up, Men from the waist down
Attempts to be your own love object,
Reconcile both your parents...by becoming both at once.

Even Marilyn Monroe was a man, but
This tends to get overlooked by
Our mother-fixated overweight, sexist media
So
Uncorrected personality traits
That seem whimsical in a child
May prove to be ugly in a fully-grown adult

If you give in to them
Every time they cry
They will become little tyrants
But they won't remember why
Then when they are thwarted
By people in later life
They will become psychotic
And they won't make an ideal husband or wife

The spoiled baby grows into
The escapist teenager who's
The adult alcoholic who's
The middle-aged suicide
Oi
