

# Him Problem

Robyn Ottolini

Ooh ooh ooh ooh ooh  
Ooh ooh ooh ooh ooh

When I said it's over, he said it's my fault  
And I said it just ain't working out  
We both know that I saw him  
And that girl macking in the crowd  
Even his mom told me I could do better  
He's gonna live with her forever  
Sucks to suck!

That sounds like a him problem  
We all know one day he's gonna hit rock bottom  
And realize what he had  
And I'll be long, gone moving on  
With someone and all but forgot him  
And he'll be drunk at the bar  
With the boys and a girl that don't want him  
Yup, that sounds like a him problem  
That sounds like a him problem

So next time he calls me 'cause he's lonely  
And he wants me in the middle of the night  
He can't have me 'cause he lost me  
I'm laughing at the fact that he might  
Think I'd ever come back cause I deserve better  
He's got a broken heart and I've got a sweater  
Bye bye!

That sounds like a him problem  
We all know one day he's gonna hit rock bottom  
And realize what he had  
And I'll be long gone, moving on  
With someone and all but forgot him  
And he'll be drunk at the bar  
With the boys and a girl that don't want him  
Shit, that sounds like a him problem  
That sounds like a him problem

He's a five, I'm a ten  
Kay, maybe more like a 7.7 but now in bed  
At least I don't have to pretend no mo-o-ore  
"It was, it was great, honey, really good. Yup."

That sounds like a him problem  
And we all know one day he's gonna hit rock bottom  
Realize what he had  
That sounds like a him problem  
And we all know one day he's gonna hit rock bottom  
And realize what he had  
And I'll be long gone, moving on  
With someone and all but forgot him  
And he'll be drunk at the bar  
With the boys and a girl that don't want him  
No, that sounds like a him problem  
It's definitely not a me kind of problem  
'Cause that sounds like a him problem
