

# Do It Again

Robyn

One more time  
Let's do it again  
Blow my mind  
Do it again  
And then we rise from moment we fall  
The anticipation, you know it's like um-um-um  
Wait for it, wait for the build up  
And then let's do it again

We do what we want, and as soon as it's done  
We just do it again  
Let's do it all, and when we come down  
We just do it again  
Don't care what they say, it hurts so good  
I don't wanna stop, I know I should  
But let's do it again

One more time,  
Let's do it again  
The thing you did,  
You do it again  
And then we rise from moment we fall  
The anticipation, you know it's like um-um-um  
Wait for it, wait for the build up  
And then let's do it again

We do what we want, and as soon as it's done  
We just do it again  
Let's do it all, and when we come down  
We just do it again  
Don't care what they say, it hurts so good  
I don't wanna stop, I know I should  
But let's do it again

We should not be friends  
We'll just do it again  
If you stay around,  
We'll just do it again

We should not be friends  
We'll just do it again  
If you stay around,  
We'll just do it again

Let's do it again  
Don't care what they say, it hurts so good  
It hurts so good  
I don't wanna stop, I know I should  
But let's do it again, again again again again  
Again again again again
