

# Ever Again

Robyn

Come on, let's have it out  
Go 'head and try a little crazy on me  
You don't have to worry  
About the pulling and pushing away  
We never used to get it right  
So baby, alright for getting startled  
But that's not how it's gonna be  
That shit's out the door  
That shit's out the door

Never gonna be brokenhearted  
Ever again  
(That shit's out the door)  
I'm only gonna sing about love  
Ever again  
Never gonna let it happen  
Then it won't be all for nothing  
Oh, I swear I'm never gonna be brokenhearted  
Ever again

Come on, let's have it out  
I just want you to be able to be yourself  
There's nothing to worry about  
How 'bout we stop arguing and do something else?  
So many things we haven't tried  
Baby, you know we're just getting started  
Daddy issues and silly games  
That shit got so lame  
That shit got so lame

Never gonna be brokenhearted  
Ever again  
(That shit's out the door)  
I'm only gonna sing about love  
Ever again  
(Never gonna be brokenhearted, baby)  
Never gonna let it happen  
Then it won't be all for nothing  
Oh, I swear I'm never gonna be brokenhearted  
Ever again

Come on, let's have it out  
(Never gonna be brokenhearted)  
Come on, let's have it out  
(Never gonna be brokenhearted)  
Come on, let's have it out  
(Never gonna be brokenhearted)  
(Ever again)  
You know you can trust me, right?  
Come on, let's have it out  
(Only gonna sing about love ever again)  
Come on, let's have it out  
Come on, let's have it out  
You can trust me, babe  
It ain't ever gonna be that way again

Never gonna let it happen

(No baby, never)  
Then it won't be all for nothing  
Oh, I swear I'm never gonna be brokenhearted  
Ever again  
Never gonna be brokenhearted  
Ever again  
(Never, ever, ever)  
I'm only gonna sing about love  
Ever again  
(Trust me, trust me)  
Never gonna let it happen  
(Then it won't be all for nothing, I swear)  
Oh, I swear I'm never gonna be brokenhearted  
Ever again  
(Ever again)

Never gonna let it happen  
(Cool)  
(Ever again)  
Never gonna let it happen
