

# Handle Me

Robyn

Yeah, I heard about some guy  
That you beat pretty bad and got in the papers  
Sure, you own a cool bar  
And I hear you get far with every waitress

Yeah, I saw you on the poster  
Your song is the bomb and you're outrageous  
Sure, I see you're livin' large  
With your crib and your cars and that's just great but

Let me tell you how it be  
You won't get with this you see  
'Cause you can't handle me

Yeah, you make your big move  
And I see you're not used to being rejected  
Sure, you making' that call to your guy  
And I'm sure you're well connected

Yeah, judging from that line  
You just passed you are well known and respected  
Sure, would me and my girls  
Come participate in something you directed

Let me tell you how it be  
You won't get with this you see  
'Cause you can't handle me  
It's a simple fact that you can't seem to handle me  
No matter how you act with them

You can't handle me, you can't handle me  
You gotta make me feel you got my back  
But you're a selfish narcissistic psycho freaking  
Boot licking Nazi creep and you can't handle me

Yeah, I think you're kinda cute  
When you try and act like you ain't looking  
Sure, I think you're kinda fly  
And your ride sure is off the hooking

Yeah, bet you could take my mind off  
Things for some time and take me shopping  
Sure, you writing those rhymes  
And the acts you produce are really kicking but

Let me tell you how it be  
You won't get with this you see  
'Cause you can't handle me  
It's a simple fact that you can't seem to handle me  
No matter how you act with them

You can't handle me, you can't handle me  
You gotta make me feel you got my back
