

Save Yourself

Rocco DeLuca & The Burden

Yeah, like a name soon forget
Ashes from your cigarette
Like a knife, they come and go
They go slow, slow, slow, slow, slow, slow

You don't recall what you used to know
You're thrown at the sun, implode
Before you hide in the shelter, the shelter, the shelter, the shelter
The shelter below you, sing la la la

Save yourself!
Save yourself!
Save yourself!
Save yourself!

With a knife or with a gun
With the light from the sun
Ashes from your cigarette
Like a name soon forget

Remind me I'm disposable
Remind me I'm disposable
You're fucking controllable
It's hot in the shelter, the shelter below you
Sing la la la

Save yourself!
Save yourself!
Save yourself!
Save yourself!

Save yourself!
Save yourself!
Save yourself!
Come on and save yourself!

Save yourself!
Ah!
Save yourself!
Come on and save yourself!
