

Always Do

Rocco

The thing about love people don't say
It's all just elusive in pain
But the thing about us
It's written in stone
I'll find my way back to ya
No matter where we go, oh

So I'll send my heart out to you
You don't need to say a word
Just hold out your hand
And it will find its way back to you
Like I always do (Mhm)

Maybe it's the things you say?
Or the way your hair falls down?
Oh, I don't know what brings me back?
Maybe our souls are attached?
Maybe we met in another life?
Or I just miss when you hold me tight?
I don't have the answers
All I got is you
And as long as that's true

I'll send my heart out to you
You don't need to say a word
Just hold out your hand
And it will find its way back to you
Like I always do (Mhm)
