

# Apples

Rocco

We're like two apples in a tree  
You could say we're meant to be  
Feels like you're from a dream  
Because I find it hard to believe

That I found you  
I wanna wrap my arms around you  
But since I have you here, it's looking like I'll probably fall  
In love with the thought of it all

So just, just for tonight let me be your guy  
If you wanna try, I'll give you my all  
And I'll hold your hand for hours on end  
And maybe I could leave with a kiss

Like a summer breeze  
You both like to mess with my hair  
But I don't really mind when you do it  
Girl, I sound stupid, but when have I ever cared?

I'm just glad that I found you  
I wanna wrap my arms around you  
But since I have you here, it's looking like I'll probably fall  
In love with the thought of it all

So just, just for tonight, let me be your guy  
If you wanna try, I'll give you my all  
And I'll hold your hand for hours on end  
And maybe I could leave with a kiss
