

## Boy In Love

Rocco

I'm just a boy in love (mhm)  
I don't think I'm getting up from this one  
I'm just a boy in love, ohh, and I'm stuck  
And I'm stuck  
And I'm stuck  
And I'm stuck

I'm just a boy in love (mhm)  
I don't think I'm getting up from this one  
I'm just a boy in love, ohh, and I'm stuck  
And I'm stuck  
And I'm stuck  
And I'm stuck

When she walked in  
All the boys  
Turned their heads and stared  
I'm not gonna lie, I did the same  
But who can you blame when it's her? (when it's her)

I put out my chest and I said, "One day she will be mine"  
But what do I say, do I ask for her name?  
But for now  
But for now

I'm just a boy in love, (mhm)  
I don't think I'm getting up from this one  
I'm just a boy in love, ohh, and I'm stuck  
And I'm stuck  
And I'm stuck  
And I'm stuck

How did I land you?  
Girl, I'm in disbelief  
A guy like me  
A girl like her  
It's like we're in a teenage movie scene

Girl, you took my heart away  
But it's not that hard to take  
Hope you don't throw it away  
And leave my heart in constant ache  
But I might just forgive you darling  
Cause I, (Cause I)  
Cause I

I'm just a boy in love (mhm)  
I don't think I'm getting up from this one  
I'm just a boy in love, ohh, and I'm stuck  
And I'm stuck  
And I'm stuck  
And I'm stuck

I'm just a boy in love (mhm)  
I don't think I'm getting up from this one  
I'm just a boy in love, (just a boy in love, ohh)  
And I'm stuck

And I'm stuck  
And I'm stuck  
And I'm stuck (oh, ohh)  
I'm just a boy in love, boy in la, la, la, love  
(This happens every time)
