

Clouds

Rocco

I fell in love, there's no stopping now
See my head's in the clouds
And I'm not coming down for a while
So keep me company, can't get enough of me
Happened so suddenly, there's nothing underneath

I fell in love, there's no stopping now
See my head's in the clouds
And I'm not coming down for a while
So keep me company, can't get enough of me
Happened so suddenly, there's nothing underneath

I get caught in my fantasies, in my fantasies
Yeah, my head's in the clouds
There's nothing under me
Nothing under me (yeah, yeah)

I fell in love, there's no stopping now
See my head's in the clouds
And I'm not coming down for a while
So keep me company, can't get enough of me
Happened so suddenly, there's nothing underneath

I fell in love, there's no stopping now
See my head's in the clouds
And I'm not coming down for a while
So keep me company, can't get enough of me
Happened so suddenly, there's nothing underneath

Tell me something I don't know
Maybe it's the brown eyes, maybe I don't realize
Maybe at the end, I'm just a fool, a fool
Just a fool for ya, ya, ya

Baby, put down that hair, let's go out
And party until the sky turns black and blue
I'll pick you up at noon if that's okay
If that's okay with ya

I fell in love, there's no stopping now
See my head's in the clouds
And I'm not coming down for a while
So keep me company, can't get enough of me
Happened so suddenly, there's nothing underneath

I fell in love, there's no stopping now
See my head's in the clouds
And I'm not coming down for a while
So keep me company, can't get enough of me
Happened so suddenly, there's nothing underneath
