

# Stuck

Rocco

I'm not that good at talking  
But I'm pretty good at falling in love  
Tell me about your day and your aspiration  
Midnight conversation

But you know that I hate it  
Always switching off anxiously  
Your converse and your laces  
I love how you make it look so cool  
But I think you're different  
But I say this all the time  
But maybe you're different and we go [?]  
At night catching feelings  
But is it worth risking?

It's like I'm stuck in a loop  
Don't know what to do  
Over and over, I fall too deep  
When you catch me  
It's like I'm stuck in a loop  
Don't know what to do  
Over and over, I fall too deep  
When you catch me

Happens every now and then, think  
Every girl is special 'til  
One girl breaks my heart and I get  
Lost inside my mental overthinking  
Feels like I am sinking  
I just hope you  
Listen to these songs I write  
Anthems 'bout some girl I like  
And she [?]  
So I just end up wasting time on fantasies  
Girl come to me  
[?]  
Can I reach it?

I know what you want  
And I can give it to you  
And I can give it to you  
To you  
It's like I'm stuck in a loop  
Don't know what to do (I can give it to you, and I can give it to you)  
Oh, this is [?]  
I do  
1-2-3, ah

It's like I'm stuck in a loop  
Don't know what to do  
Over and over, I fall too deep  
When you catch me  
It's like I'm stuck in a loop  
Don't know what to do  
Over and over, I fall too deep  
When you catch me
