

Third Avenue

Rocco

You could say you're on my mind
From the moment we locked eyes
On my morning commute
Off third avenue
It lingers on my chest
'Cause I'm longing for the time
Our roads would intersect
And our lives intertwine

But I'm so scared of holding on to you
Guess I'll see you
In another life
I'll look you in the eyes

There she goes again
When she passes by
The birds begin to sing
But I wouldn't dare to try
To tell her what's my name
'Cause I know she'll be gone too
Like the ones that slipped away
Who I've never saw it through

'Cause I'm so scared of holding on to you
Guess I'll see you
In another life
I'll look you in the eyes
And tell you
How I've looked for you
There's not much more my heart can take
I'll tell you what I couldn't say
On third avenue
