

## Something in the Air

Rock Mafia

I think was I blind, 'til the day that I saw you  
I think my tongue was tied, I had no one to talk to  
And every time I'm going out I'm running into you (Yeah)  
Every time I see your face I don't know what to do  
Never thought I'd see you out with somebody new  
Never thought that you'd be the one I would lose

And there's something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah  
Something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah  
It ain't fair  
Now we're in the same room and I know you feel it too, so  
What do we do?  
Something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah

You live in my mind, I get the shakes when ya leave me (Shit)  
And there was a time, when you laid beneath me  
And every time I'm going out I'm running into you (Yeah)  
Every time I see your face I don't know what to do  
Never thought I'd see you out with somebody new  
Never thought that you'd be the one I would lose

And there's something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah  
Something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah  
It ain't fair  
Now we're in the same room and I know you feel it too, so  
What do we do?  
Something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah

It ain't fair  
It ain't fair  
Yeah, there's something in the air, there's something in the air  
Yeah-yeah, what do we do?

And there's something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah  
Something in the air  
But you know that we don't talk about it, talk about it, yeah-yeah  
It ain't fair, it ain't fair  
It ain't fair, it ain't fair  
It ain't fair, it ain't fair
