

Headspin

Rock Star Supernova

All I want to say
Is you're the satellite
in my life
You don't have to lie
And you don't have to cry anymore

Then I hear you say
Let's live for the moment this time
Why don't you just make up your mind?

You make my head spin
You make my head spin
Why? Why do you?
You make my head spin
You make my head spin
Why? Why?

You love to build me up
Just to tear me down
Oh but why?
Wouldn't it be nice
If we found paradise someday

Then I hear you say
Let's live for the moment this time
Why don't you just make up your g*dd**n mind?

You make my head spin
You make my head spin
Why? Why do you?
You make my head spin
You make my head spin
Why? Why?

Did I hear you say
You want to be alone?
Was this a mistake?
How would we have known?
Well I can hear you scream at me
Scream at me!

I'm not perfect
I'm not perfect!

You make my head spin
You make my head spin
Why? Why do you?
You make my head spin
You make my head spin
Did I ever mean something
You make my head spin
Did I ever mean something
You make my head spin
....to you?
Why? Why do you?
