Hard Time

Rockapella

Hard time; baby about time to move on to something better

Walked out with all my clothes in hand
said don't come back again
Must've been something I said
or maybe she met a better man

Don't care don't care what you say
cause you can't get away with all those games that you play

Chorus:
Ya know you put me through a
Hard time baby, it's about time that I
moved on to something better
and maybe we can work it out
if you could only undo all my pain

You know you gotta lot of nerve
telling me this is what I deserve
after all we've been through
after all I've done for you

Don't care don't care what you say
cause you can't get away with all those games that you play

Chorus

You say ya need some space
I think I'll be ok
My world spins
