

## Stand By Me

Rockapella

When the night has come and the land is dark  
And the moon is the only light we'll see  
No, I won't be afraid no, I won't be afraid  
Just as long as you stand, stand by me

If the sky that we look upon should tumble and fall  
Oh the mountain should crumble to the sea  
I won't cry, I won't cry no no, I won't shed a tear  
Just as long as you stand, stand by me

So darling darling stand by me  
Oh, stand by me  
Oh won't you stand, stand by me?

When the night has come and the land is dark  
And the moon is the only light we see  
No, I won't be afraid no, I won't be afraid  
Just as long as you stand by me

So darling darling stand by me  
Oh, stand by me  
Oh won't you stand, stand by me?

Whenever you're in trouble  
You stand by me, stand by me  
Oh won't you stand, stand by me?

Oh stand by me
