

Tempted

Rockapella

I bought a toothbrush and toothpaste
A flannel for my face
Pajamas, a hairbrush,
new shoes and a case
I said to my reflection,
"Let's get out of this place"

Past the church and the steeple
The laundry on the hill
Billboards and the buildings
Memories of it still
Keep calling and calling
But forget it all
I know I will

Tempted by the fruit of another
Tempted but the truth is discovered
What's been going on
Now that you have gone
There's no other
Tempted by the fruit of another
Tempted but the truth is discovered

I'm at the airport, the car park
The baggage carousel
The people keep on crowding
I'm wishing I was well
I said it's no occasion
It's no story I could tell

At my bedside empty pocket
A foot without a sock
Your body gets much closer
I fumble for the clock
Alarmed by the seduction
I wish that it would stop

Tempted by the fruit of another
Tempted but the truth is discovered
What's been going on
Now that you have gone
There's no other
Tempted by the fruit of another
Tempted but the truth is discovered

I bought a toothbrush and toothpaste
A flannel for my face
Pajamas, a hairbrush,
new shoes and a case
I said to my reflection,
"Let's get out of this place"

Tempted by the fruit of another
Tempted but the truth is discovered
What's been going on
Now that you have gone
There's no other

Tempted by the fruit of another
Tempted but the truth is discovered

Tempted by the fruit of another
Tempted but the truth is discovered...
