

# Winter Wonderland

Rockapella

Sleigh bells ring  
Are you listening  
In the lane  
Snow is glistening  
A beautiful sight  
We're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is a new bird  
He sings a love song  
As we go along  
Walking in a winter wonderland

In the meadow we can build a snowman  
Then pretend he is Parson Brown  
He'll say: Are you married?  
We'll say: No man  
But you can do the job  
When you're in town

Later on  
We'll conspire  
As we dream by the fire  
To face unafraid  
The plans that we've made  
Walking in a winter wonderland

On the ground lies a meadow light  
And like a diamond shine all through the night  
Two hearts a thrill and despite of the chill in the weather

The weather the weather the weather  
Love knows no season love knows no height  
Romance can blossom at anytime  
Hearing it open  
Where walking  
It open  
Together  
Together  
Together  
Together  
Together  
Together  
Together  
Together

Sleigh bells ringing  
Snow is glistening  
A beautiful sight  
We're happy tonight  
Walking in a winter wonderland  
Then we can build a snowman  
And pretend he is Parson Brown  
He'll say: Are you married?  
We'll say: No man  
Later on  
We'll conspire

As we dream by the fire  
To face unafraid  
The plans that we've made  
Walking in a winter wonderland  
Hay  
Walking in a winter wonderland  
Hay  
Walking in  
In a winter wonderland!
