Say You'll Be Mine

Say You'll Be Mine thanks to Annie for submitting thelyrics I wanna hold you when you feel, you need to be held I wanna love you when you feel like love is somewhere else I wanna be your every tomorrow, 'cause today's not enough time for me to give you all I have to give, say you'll be mine I wanna be the greatest lover, of your life I wanna be the last to wish you, goodnight I wanna be the first kiss, of every day I wanna be the one that never, walks away I wanna hold you when you feel, you need to be held I wanna love you when you feel like love is somewhere else I wanna be your every tomorrow 'cause today's not enough time for me to give you all i have to give, say you'll be mine I wanna be the one you think of, when you smile I wanna be the one you imagine, when you close your eyes I wanna be everything, you need me to be I wanna be the force of light to help you see I wanna hold you when you feel, you need to be held I wanna love you when you feel like love is somewhere else I wanna be your every tomorrow 'cause today's not enough time for me to give you all I have to give, say you'll be mine be mine... be mine... o0o0 ba da I wanna hold you when you feel, you need to be held I wanna love you when you feel like love is somewhere else I wanna be your every tomorrow 'cause today's not enough time for me to give you all I have to give, say you'll be mine I wanna hold you when you feel, you need to be held I wanna love you when you feel like love is somewhere else I wanna be your every tomorrow 'cause
