

Bucket of Piss

Rocket from the Crypt

Masochist wanted - inquire within
Your time's worth nothing so punch the clock in
Minimum wages and maximum rates
Gonna pull your hair out - cry and moan

Bucket of piss, bucket of piss
Make yourself useful
Bucket of piss
Bucket of piss, bucket of piss
Make yourself useful
Like a bucket of piss

Feel out of options
Brown resume
No one cares about you
So go spit in some food
Bucket of piss
And proud of it
Go enter the workforce
And never quit

Bucket of piss, bucket of piss
Make yourself useful
Bucket of piss
Bucket of piss, bucket of piss
Make yourself useful
Bucket of piss

Bucket of piss, bucket of piss
Make yourself useful
Bucket of piss
Bucket of piss, bucket of piss
Make yourself useful
Bucket of piss
