

Cheetah

Rocket from the Crypt

One second in a second's time
Two seconds and I'm down the line
Three seconds and I catch my find
I'm a cheetah now, I'm a cheetah now
(I don't like that sound)
Oh what you gonna do?
(I don't want you around)
Don't worry about it
(I don't like that sound)
Oh baby please
I'm a cheetah now, I'm a cheetah now
You don't have to fear me
I only kill what I eat
Just don't try to beat me
Cuz I, I have my spots
And I have my feet
I dig my claws into what I meet, yeah

(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)

Cheetah, cheetah I like your sign
You're the cat that I call mine
Cheetah, cheetah if you got time
I'm a cheetah now, I'm a cheetah now
(I don't like that sound)
Oh what you gonna do?
(I don't want you around)
Don't worry about it
(I don't like that sound)
Oh baby please
I'm a cheetah now, I'm a cheetah now
You don't have to fear me
I only kill what I eat
Just don't try to beat me
Cuz I, I have my spots
And I have my feet
I dig my claws into what I meet, yeah

(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)
My cheetah don't...

(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)
My cheetah don't go

(Hey, hey, hey)
My cheetah don't go
(Hey, hey, hey)
My cheetah don't know
I'm a cheetah now.
