

Glazed

Rocket from the Crypt

Micky is a guy I know
Cut his hair and watch it grow
Don't kill me
If I'm wrong

Davey shoots all the kids
Watch them die
And now
They're gonna hang 'em

Early graves
And broken hearts
Watch the world of yours
Turn into misery
It's gonna kill me

(1-2-3-4)

Things got hot, you're on fire
Your ashes turn to mud
(Ashes turn to mud)
That's when you'll find yourself
In a pool of blood
(In a pool of blood)
That's when it got done
Nothing, you've got none

(Hey Speedo, just look at yourself!)

Hey
Hey
Hey
Hey
Hey
Hey
Hey

Early graves
And broken hearts
Watch the world of yours
Turn into misery

Killed the cat
And felt real cool
Drank the blood
And now they are reminded
It's gonna kill me

(1-2-3-4)

Things got hot, you're on fire
Your ashes turn to mud
(Ashes turn to mud)
That's when you'll find yourself
In a pool of blood
(In a pool of blood)
That's when it got done

Nothing, you've got none

(Hey Speedo, just look at yourself!)
