

Heart of a Rat

Rocket from the Crypt

Yeah

Oh oh oh
I'm gonna make it
I want silk
Robes in my closet too
I want trophies to remind me
Of the times
When I sold you out

The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat is a lonely one

Oh oh oh
You have spoken
You ****ed up
Sell it by the ounce
Keep us warm
Keep us sedated
Stick the blade
Now please
Pull it out

The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat is a lonely one

The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat is a lonely one

Oh oh oh
Bring on the cannons
March right through
Bring on the cavalry

The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat
The heart of a rat is a lonely one
The heart of a rat
The heart of a rat
The heart of a rat is a lonely one

The heart of a rat
The heart of a rat
The heart of a rat
Yeah, it's a lonely one
