

## Suit City

### Rocket from the Crypt

Check out the scene here,  
You gotta look twice.  
Nobody's listening,  
Run sister, run.

And do you know what I know? (Suit, suit, suit city)  
And do you know the reason? (Suit, suit, suit city)  
And educate what I said.  
Run, gotta (darlin') run.

And it happens all the time,  
You just leave your kids behind.  
Suit city (3x), suit (3x).

Shopped (Sharks) in the fat (fast) lane,  
Big f\*\*kin' deal.  
The lot sees you coming  
Climbing (crying) like hell

And do you know what I know? (Suit, suit, suit city)  
And do you know the reason? (Suit, suit, suit city)  
And educate what I said.  
Run, gotta sister run.

And it happens all the time,  
You just leave your kids behind.  
Suit city (3x), suit (3x).

All right! (2x) Yeah!

I can fill your shoes with shit!

Suit city (3x), suit (3x).  
Suit city (3x), suit (3x).  
Suit city (3x), suit (3x).
