

# JUKE THAT

Rockie Fresh

Pour up all the shots  
Put your hands down on your thighs  
Love it when you dirty wind  
Let me see you (juke that!)  
Let me see you (juke that!)

You gettin' lit  
You ain't feelin' no stress  
Lets party in London  
Go shoppin' in France  
Fuck that lil cash  
Fuck that advance

This ain't a dance that you do with your man  
This ain't a dance that you do with your hands  
You jump up and down when you put on your pants  
(Juke that!)  
(Juke that!)

When you in your room sing as loud as you can  
You in the mirror, you know that you bad  
The way that you work it, you need you a bag  
Jukin' all night in the basement

Step step - side to side  
Twerk that ass from left to right  
Drop that shit  
Bring it back  
Now let me see you (juke that!)  
Let me see you (juke that!)  
(Juke that!)  
(Juke that!)  
(Juke that!)  
(Juke that!)

Got them bangs  
Got that work  
Do it til your back starts hurtin'  
Spin it flip it in reverse  
Ima let you finish first  
Head shoulders knees and toes  
Go ahead get wild go down low  
Like it fast and like it slow  
Let me see you (juke that!)  
Let me see you (juke that!)
