

## Her

Rocko

I'ma protect her fight for her kill for her fast if it wasn't for her I wouldn't be having all this cash

From the first time I saw her it was somethin' bout her I know she was worth  
I feel in love with her (Her [x15])

Damn what the hell I'm I going to do with her I swear I need to be through with her I should be at the studio at work but instead I'm in the streets with her wow I'm in denial I love her style we walk that aisle I remember she was a baby a child I stayed down she made it worth my while

She my favorite she made me rich all the DBoys they love my bitch  
Nah I ain't sick of her but I'm still trying to get rid of her

I'ma protect her fight for her kill for her fast if it wasn't for her I wouldn't be having all this cash

[Background voice] You ion know her like I know her man I'm the ghetto we rock out with her

She got me spending all my time with her my wifey mad cause I'm always riding with her I told her shutup! I be side with her, Never tried your old friends for your new friends I was down with her first persfirst she more valuable then gold get rich off

her and let her go the gold, riding with her speed limit going  
down the road don't get caught with her or you'll be going down  
the road when you got her everybody jealous robbers wanna rob  
snitches wanna tell it they just mad cause she gotch' you up t  
ry to take her you'll get bussed I don't give a fuck

I'ma protect her fight for her kill for her fast if it wasn't f  
or her I wouldn't be having all this cash

From the first time I saw her it was somethin' bout her I know  
she was worth
