All she get is hi and bi, high as the sky  
My bitch bi, her partner straight I told that bitch bi  
Never mine me, I'm high, twice as high  
Selling if you want to buy  
Abu Dhabi high why  
The man that supply  
I give 'em death dumps and high five's  
They say Rock when your album drop we wanna buy  
Love for life, I see you later, I never say goodbye  
Woke up in NY, stop in MI just to say hi  
In and out, on the chow, fly and land  
Fly right out

Slide through that, two  
Pull that two third  
Sign and out, a river moves  
Couple yachts, Lambo thots  
High rolling, buy clothes  
War shows, ladies know  
Hold on now, come and go  
Pick up more mail, fair play  
Serving dudes bring the piece in  
Boost up tell them peace out  
Go get some more in, some more out  
Waikiki Beach, aloha  
Mountain top, that highland  
Not even byland  
Now we sky high  
I told both of them bi

Hi bi, hi bi, hi bi, hi bi  
Hi bi, hi bi, hi bi, hi bi  
Hi bi, hi bi, hi bi, hi bi  
Hi bi, hi bi, hi bi, hi bi
