You ain't got no pink slip, that's not your car.

You can only club for me, this not your club!

Bring the tip, make the cheddar, I'm on my nacho shit.
Take money, I'm out your hoe
Why finess you out yo dough, that's not yo dough.
Ha ha ha, you said that was yours
Survey said it's nachos.
You said that you run the town
The streets say that's NACHOS.

You say she your girl, she say she's
Not yours,
Tell her how we play she
Not yours,
This girl my surreal,
Not yours,
Heavy on the chatter
Not yours,
Ain't one, is the cheese
Not yours,
Throw it on the dick,
Not yours,
All these fucking chips
Not yours,
All these fucking chips
Not yours.

She's everybody girl, she's ain't mine, she's not yours
First come, first serve, count the nachos
Told we ain't gonna steady, I'm not your type
Babe, you're looking for a dude, still
(Not your guy!)

But we train a real nigga, boy that's not your life!

Walk up in the spot, they'll be like oh, not you again!
Yeah, me (what you got) colossal dough

Not yours,
Throw it on the dick,
Not yours,
All these fucking chips
