

No Cents

Rocko

Hey, I ain't got no cents, I ain't got no cents
Hey, I ain't got no cents, I ain't got no cents
Got nothing but a pocket full of hunneds nigga
I ain't got no cents, I ain't got no cents
Every for no change, I ain't got no cents
I'm a pull the plug on you niggas, I don't trust you
I ain't got no cents, I ain't got no cents
Haha, it sound skits,
I ain't got no cents, yeah, that song nigga
I ain't got no cents, I ain't got no cents
New school, literally

Nothing but dollars on me homie
Ain't got no cents, that ain't what I carry
To spend interest, the principle in the ground, buried
Just principality purposes, why you worry
About me, saying I'm a new sense, fuck your 2 cents
I'm with my Sicilian chick, we up at Houston
Bout to catch a flight in Houston, in me
Whatever I got on me, I'm a spend it
They dropped me on my head when I was a kid
I ain't been the same since
Everybody saying I got no sense
I say I, I'm a bit blurred, but you can see my pockets 100 over there, yeah

Hey, I ain't got no cents, I ain't got no cents
Got nothing but a pocket full of hunneds nigga
I ain't got no cents, I ain't got no cents
Every for no change, I ain't got no cents
I'm a pull the plug on you niggas, I don't trust you
I ain't got no cents, I ain't got no cents
Haha, it sound skits,
I ain't got no cents, yeah, that song nigga
I ain't got no cents, I ain't got no cents
New school, literally

She slammed my door, she gave the nigga a tip
I say you supposed to be stiff, he acting lame and shit
She telling me I'm bout that I said I'm ready to go but I'm a stay
Cause you special, I like you
Matter of fact, nah, I'm a leave, I'm a text you

All cause I ain't got no cents
Blue fin, pat great goosy rice,
Told hunneds, all I like
Remember my pocket with filled up with lean
Now my money skitz, I ain't got no cents

Hey, I ain't got no cents, I ain't got no cents

I'm a pull the plug on you niggas, I don't trust you
I ain't got no cents, I ain't got no cents
Haha, it sound skits,

Said fucking leave it there cause I'm bout to snap
Dmg tenesis, but I ain't playing tennis
Shawty massaging my balls, yeah she playing penis
Rock fucking menace, I sell o's dog, grew up selling cane
That's how I got my nickname
Laid back round 3 lanes, Jesus piece 3 chains
Nigga what you said the game, fuck you mean, I sent the team
Gold line blitz, straight skitz, no sense, I don't play that shit
I don't give a shit, keep that hammer on me,

Be like Jordan, come out of retirement, fuck consignment
