Rocko

You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine

Shine like the sun, fuck who you offend  
Shine like a light, keep your shine on bright  
Shine like the moon, shine like a star  
Real stars shine harder when it's dark  
Shine like a diamond, go to bed shining  
Wake up, rise and grind, make sure you tone your shine  
Shine like the summer, I'mma shine how I wanna  
You can't kill my shine, I'm a knight in shining armour  
Shine for my granny, I'mma shine for my mama  
I'mma shine for my hood, I'mma shine for my city  
I'mma shine on all you niggas, I keep my shine on blind  
It's my time to shine, it's my, it's my time to shine

You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine

More ice, more wrist  
Palm trees, it's a shortage  
Rain, sleet, hail, snow, any weather  
Rolls Royce, umbrellas, this shit forever  
Leather bucket low like fuck it though  
They ask me why I drive the Bentley like a Cutlass though  
You know, hit the club number of sparklers and bottles  
Neck, ears, wrist, look like sparkling water

You can't block my shine, you can't block my shine

You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine

You can't block, you can't block  
You can't block, you can't block  
You can't block, you can't block  
You can't block, you can't block

You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't, you can't block my shine  
You can't block my shine, you can't block my shine  
You can't block my shine
